Hello! My name LIDA THY I'm 20 years old. And I'm a Web developer. I would like to apply this job because I interested this job in your company and I want to develop your company and I want get new experience from your company. I think I can do it and I believe myself.

For my education I'm studying in Passtelles Numeriques Cambodia school. I got knowledge enough and some experience from PNC .So it enough for me and I can this job in your company.

I hope you interesting my cover later and get me interview in your company.

I'm waiting you.

A handwritten signature in black ink, appearing to read 'Lida Thy' with a stylized flourish at the end.
